LIKE A BOSS

HELP DEVOPS THIS DEVOPS

DevOps is about continuous deployment.
About listening to users and incorporating their feedback.

Same goes for this course.

Please take a moment for this **one-question survey**, which will help the team at LAB track the topics our students most want to know about.

https://www.surveymonkey.com/r/KVZHZGM

Really, it's just one question.

Thanks in advance for your time, and for lending your voice.

If you need to get in touch with Brian or LikeaBoss for any other questions, feel free to reach out at:
